RUSSIA
AND
THE MOSLEM WORLD

The scientific information journal of INION RAN "Russia and the Moslem World" invites specialists who study the development of Islamic civilization for cooperation, and presents the point of view of Russian and foreign orientalists, economists, political scientists, sociologists, religious scholars and cultural scientists on the processes taking place both in Russia and abroad. The edition has been publishing articles, interviews, reviews and other information materials related to Islam and Islamic studies since 1992. The journal aims to convey information about Islam in the contemporary world, and also focuses on assessing of current political, economic, social, cultural and civilizational processes in the Muslim world. The emphasis is on the study of theoretical and practical embodiments of Islamic thought, realized through the state course of development: Islamic Foreign Policy, Islamic Economy, Islamic Education, Islamic Banking, Islamic Knowledge Islamic Culture and Islamic Art.

The scientific and information journal "Russia and the Moslem World" is created for scientists, specialists, graduate students, students and is aimed at a wide readership. Our journal is published quarterly in two languages – Russian and English, various ISSN and DOI are assigned to publications. Works are accepted both in Russian and in English, translation into English for publication in the English version is carried out by decision of the editorial office of the journal. We will be glad to cooperate!
